ENVISOR[®] ROOF SCREENS

ROOF SCREENS WITH SOARING GOOD LOOKS

Elevate standards with Envvisor[®], combining durability and aesthetics. Envvisor[®] offers affordability and sophistication, streamlining code adherence and harmonizing with diverse designs. Moreover, its installation doesn't necessitate rooftop penetration, granting a sleek, contemporary appearance.

ZERO ROOFTOP PENETRATION

Screens attach directly to equipment, bypassing rooftop penetration which is the root cause of leaks and damage

CODE COMPLIANT

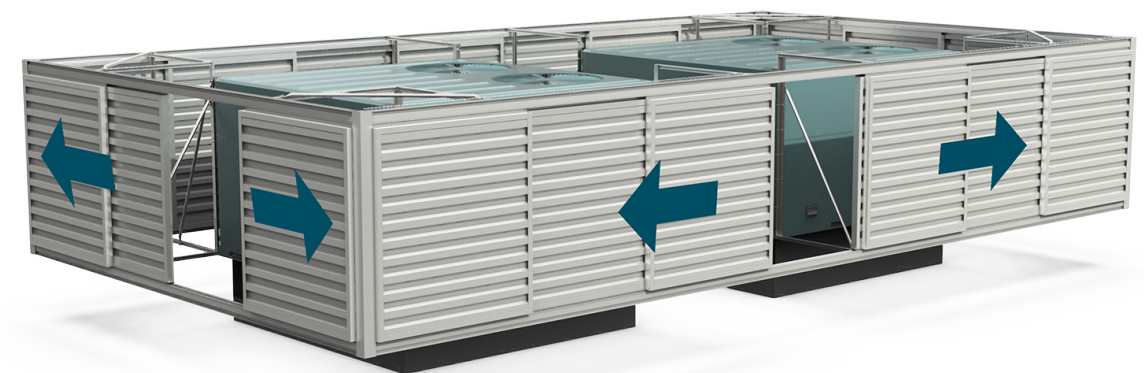

Practical solution for municipal screening requirements of HVAC units, chillers, air handlers, and more

EASY MAINTENANCE

UV and rust resistant finishes for tough environments, with sliding panels for easy service access

ARCHITECTURAL DESIGN

Meticulously crafted to echo the building's aesthetic

COVRIT® DUMPSTER ENCLOSURES

UNSIGHTLY DUMPSTER? WE'VE GOT YOU COVERED

Covrit® Dumpster Enclosures work for any sized project, budget, or property. Take your dumpster from dull to dazzling with surround solutions that are durable, high-quality, and require virtually zero maintenance.

HIGH-QUALITY CONSTRUCTION

Professional grade extruded aluminum frames with powder-coated finishes

WIDE DESIGN SELECTION

Wide selection of wall infills and gates to suit any style and budget

NO FOOTINGS NECESSARY

Mounts directly to a concrete slab

TOUGHGATE™ INTEGRATION

ToughGate™ doors & gates used on every Covrit® enclosure

Gwinnett Technical College
Lawrenceville, GA

COVRIT[®] GATES & WALLS

MAKE BEAUTY A PRIORITY

Covrit[®] Gates & Walls provide elegant, durable screening solutions for modern businesses. Our versatile product line conceals, protects, or partitions elements on your property, seamlessly blending aesthetics with functionality, redefining screening and partitioning for contemporary business environments.

MAINTENANCE-FREE MATERIALS

UV and rust resistant finishes to protect from harsh environments

STREAMLINED INSTALLATION

Directly mounting to concrete slabs without the need for footings

TAILORED DIMENSIONS

Crafting Distinctive Spaces with Both Standard and Customized Designs

TURN-KEY SOLUTIONS

From design, engineering, and installation

TOUGHGATE™ DOORS & GATES

UNCOMPROMISING DURABILITY

The name gives you a clue. ToughGate™ stands for the toughest doors and gates around. Professional grade, expertly crafted, and built to your specifications with the highest quality materials, ToughGate™ will give you years of maintenance-free operation on top of stunning good looks.
