ARCHITECTURAL INNOVATIONS

Designed by our in-house engineering team and manufactured in our state-of-the-art facility, our professional grade screen wall systems and gates have transformed property at big box retailers, shopping centers, restaurants, community parks, apartment complexes, and more. We are your ideal partner for all your screening needs.

PLANKWALL™ SYSTEM

We mount our planks using professional grade aluminum posts and rails to complete the finest modular wall system on the market. A proprietary aluminum stiffener is integrated between each plank, providing an attractive reveal while reinforcing the screen wall structure, eliminating the need for horizontal stringers.

PlankWall™ is completely maintenance-free and comes with a 20-year fade and stain resistance warranty.
