# NATURESCREEN® TRELLIS SYSTEMS INSTALLATION INSTRUCTIONS

For detailed instructions please visit our our website's resources section. To order a Nature Reimagined™ NatureScreen® Trellis System for your next project, call 877.727.3367 or email [contact@cityscapesinc.com](mailto:contact@cityscapesinc.com).

## WALL MOUNTED INSTALLATION STEPS:

1. Verify you have all NatureScreen®'s per the approval submittal drawings
2. Using the and , attach the provided to the sides of the screens. Make sure to mount them with the of the on the inside of the NatureScreen®.

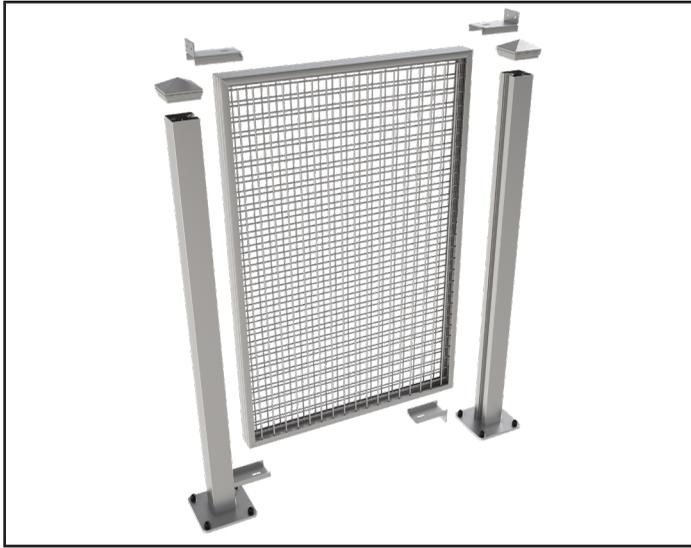

3. Once you have all **BRACKETS** mounted to the frame, transfer the locations for the top of the **KEYWAY** to the mounting surface.
4. Drill a 1" deep ¼" hole at each **BRACKET** location

5. Partially install all **ANCHORS** but be sure to leave enough room to slot the screen over the **ANCHORS**.
6. After slipping the screen over the **ANCHORS**, slide the NatureScreen® down to settle onto the **ANCHORS**.
7. Torque the **ANCHORS** to manufacturer's specifications.

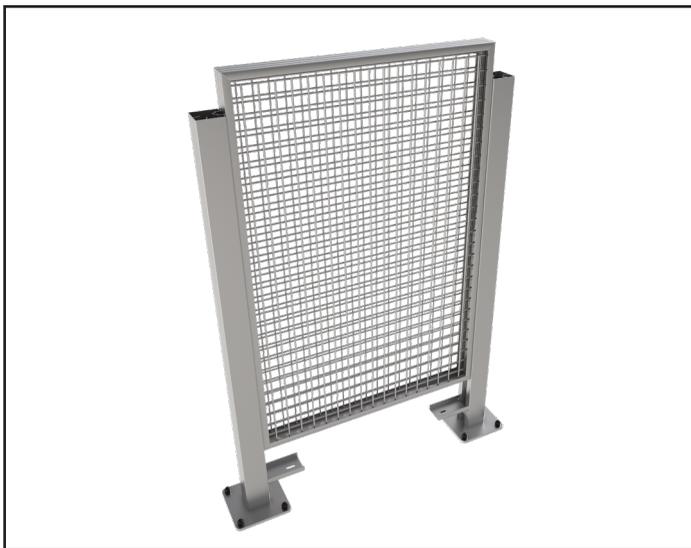

## POST MOUNTED INSTALLATION STEPS:

1. Verify you have all NatureScreen®s per the approval submittal drawings

2. Attach the bottom **"U" BRACKET** between both **POSTS** approximately 4" above the ground

3. Slide the NatureScreen® into the **"U" BRACKET**

4. Attach the top **"U" BRACKET** to the **POSTS**
5. Insert post caps into top of posts
6. Repeat installations instructions for remaining NatureScreen®s.

To order a Natured Reimagined™ NatureScreen® Trellis System for your next project call 877.727.3367 or email [contact@cityscapesinc.com](mailto:contact@cityscapesinc.com)
